

A BIG THANKS ☺ to the Scheerer Family for ringing St. Mark's church bells every Sunday morning while our church doors are closed. Susan sent me these photos that Roger and Justin took when they went to grease the bell pulleys this week. Special Thanks to Roger and Justin for doing this job! ☺ I imagine it was hot way up in the bell tower this week!! How awesome that you took pictures too ... there are probably many members and friends that have never seen the actual bells. ☺
