

Our special Advent Wreath made by Dave's Dad (Bob Hammer)

December 6th drop by or drop in church at St. Mark's to collect donations for Wilmot Family Resource Centre's Christmas Hamper Program. Gloves, grocery cards, lovingly hand-knit mittens, scarves, baby vests, grocery items and candy canes were generously and safely donated.

It was special and meaningful for some of our church family to be inside St. Mark's (safely distanced with face masks) to listen as Nancy played the organ.
